### Media credential rules and regulations:

- Media credentials are issued for those covering an event for a credible racing outlet or publication. Credential requests are to be made by the media outlet, not the person attending the event. Personal web sites are not considered media outlets and those requests will be declined.
- No credential holder may sell or solicit business on site or following any event. Anyone violating this request will be prohibited from covering all future events.
- Submitted credentials are non-transferable from person-to-person or from one event to another. A separate credential must be submitted per event.
- Anyone granted a credential must present a valid photo ID when picking up credential at the track's pit gate.
- All credential requests must be submitted no later than 3 days prior to the event. All requests will be notified if they have been approved or declined.
- All media members will have infield access inside a safe zone area. Anyone outside of the safe area will be asked to move to another location. Failure to do so will result in an ejection from the facility.
- All media coverage including is subject to be used by the track upon request, for promotional purposes only.
